

Central Ohio Damage Prevention Council Minutes

October 2021

The September meeting of the Central Ohio Damage Prevention Council took place as a virtual meeting through zoom on October 20, 2021. Steve Buskirk read the mission statement.

Emergency Action Plan was reviewed by Collins Cranmer.

Introductions for all participants.

The review of the September meeting minutes took place, no changes were suggested. Liz Pyles made a motion for approval of the minutes and second was made by Greg First. Vote was taken, all approved.

Attendance was taken.

Guest Speaker:

Round Table: Utility Coordination Discussion

A discussion was held between several members present in person and virtual regarding the process they follow for utility coordination on projects.

Damages and Locates Discussion:

Old Business

Marking Standards:

Liz Pyles and Steve Buskirk participated on the Marking Standards Committee meeting on September 14, 2021. A few items needed to be pushed out to DPC members for consensus.

New survey for the diameter. 36, 42, other

1. Symbol for pipes of "large" size to identify
 - a. The minimum size of facilities requiring use of the symbol
 - i. 16 inch
 - b. The symbol
 - i. Rectangle, APWA Oversized Utility Markings I-Beam, Montana 811 Lazy "H"
APWA
 - ii. How often does the symbol need placed?

1. 25 to 50 feet
- iii. What line to measure off of for the tolerance zone?

A survey monkey will be sent out to all members to provide feedback on all the items.

New Business:

Liz Pyles has accepted a new position and is moving to the Franklin County Engineer's Office. Look for a new email address in the upcoming weeks with the DPC information.

Please fill out the December meeting survey for reservation
