Utilities must register by March 1st or you will not be able to get a permit. Service providers must be registered. Questions feel free to contact me (email/cell). Kimberly sent out packet via email.

Joe Kunzler

I've noticed that operators in the big contractors will wait to get permission from supervisor before contacting 811. Big delay in calling 811. I'm not sure what the law reads, how fast do they need to call 811.

April Safe Digging event – difficult due to pandemic. Let's plan something virtually. Krissy can send out something – maybe send out questions/5 question survey and we can hold a drawing. Email Krissy with ideas to make it interactive.

Motion to end. Justin Freudeman.
