Press Release

Thursday, April 27, 2023, 9:30 A.M.

Location: Drummond Ave and North Main Street, Hubbard, OH

The City of Hubbard in conjunction with the Eastern Ohio Damage Prevention Council and Ohio811 will be conducting a landscaping renovation project to promote April Safe Digging Month. The event is open to the public and the goal is to bring public awareness to Safe Digging practices and the State of Ohio One-Call law. We would like to invite the press to attend. Mayor Kyle, Ohio811 representatives, and EODPC council representatives from various contracting firms and utilities will be present. The City of Hubbard will have various equipment from our Utility Departments on site. Ohio811 sponsors multiple Damage Prevention Councils and Utility Co-Ordinating committees throughout the State of Ohio that will also be conducting Safe Digging Project across the state. The event will start at 9:30 A.M. at the corner of Drummond Avenue and North Main Street at the welcome to Hubbard Sign.

We look forward to seeing members of your organization. If there are any questions please contact Kevin Lyden, City of Hubbard Service Superintendent at 330 509-3720 or Matt Hennis, Ohio811 at 330 272-6848

Kevin T Lyden
