

NODPC Meeting

Wednesday, June 07th, 2023

09:30am to 10:28am

City of Independence Civic Center (6363 Selig Blvd, Independence)

1.) Introductions

2. Meeting Minutes Approved

3.) Presentation by Johnny Henson with Davey Resource Group

- Davey Resource Group has been around since the late 1800's.
- They specialize in more than tree work. They also offer (not limited to) design planning, utility inspections, gas meter replacements, utility locating and mapping, and leak detection.
- They are a utility companies "Swiss army knife".

4. OHIO811 Updates

- The new excavator manuals are being produced currently. The manual has been updated online but not yet on the mobile application. There are also business cards available with a QR code that is a direct link to the Spanish/English versions.
- There is new legislation that has been proposed
 - All proposed changes to the legislation may be found at <https://oups.org/legislative-coalition-oudpc/>.
- There will be two discussion groups starting – one regarding abandoned facilities and another regarding the current forty-eight hours' wait time.
- OUPS is currently scheduling new excavator seminars for the fall (24th through 27th of October). The exact locations are still to be decided upon.
- In May, there were 158, 601 tickets created which is up +7.2% YOY. There has been a total of 650, 184 tickets created for the year which is +10.86%YOY.

5.) Speakers for 2023

- Aspire Energy may be the speaker for August.
- We still need speakers for the remainder of the year.

6.) Open Discussion

- The next meeting will be on Wednesday, August 02nd at the same place, same time.
- The meeting was adjourned at 10:28am.
