

## **OUDDPC Training Discussion Group Meeting**

### **Minutes**

March 12, 2024

**Call to Order/Opening Statements:** Alex McCann

**Roll Call:** Scott Mergler, Steve Shafer, Brent St. Clair, Justin Freudeman, Greg First, Eric Vendel, Jodi Stout, Michael Wilson, Blake Ross, Alex McCann, Rod Troxell, Dave Coniglio, Dominick Belser, Frank Riegler, Al Tonetti, Drew Williams, Don Huck, Lori Wade, James Finucan, Peter Chase, Mara White, Jenna Reese, Stephen Nielson, Brian Holden, Jim Mander, Jaime Gillen, Casey Fritz, Matthew Wood, Him Collins, Bryon Bedel

**Review/Approval of Minutes:** no minutes to approve

**Review of prior groups work:** Attendees reviewed and discussed work that had been completed by the last discussion group prior to 2020. There was a lot of conversation surrounding the work and Mr. Tonetti spoke to that work as he is the only returning participant. General consensus of the group that the current 3781.26 ORC is insufficient due to the vagueness of how it is written. Group plans to continue conversations in attempt to update ORC to outline and mandate more specific details, however is keeping in mind that the proposed changes cannot be too specific.

**Next Steps:** Continued conversations surrounding:

- Type of training required
- Frequency of Training
- Working on updated language to ORC 3781.26

**Adjournment:** Motion made, seconded, and carried with no opposition.
