

2024 FALL

# EXCAVATOR SEMINARS

WV811 and OHIO811 have partnered to provide **FREE** Excavator Seminars for those working in Ohio and West Virginia.

Excavator Seminars are vital training opportunities that provide underground damage prevention education, law updates, industry news, and information on Universal Marking Standards. These interactive seminars include a Q&A segment and opportunities to collaborate with industry professionals and experts from OHIO811 and WV811.

**Attendance is approved for the following CEU/Certifications for participants that hold an active water or wastewater EPA license in Ohio:**

**NEW UPDATE**

- EPA CERTIFIED**  
(3.75) CEU Hours for Water and Wastewater Employees— OEPA-B88948432-X
- PERSONAL DEVELOPMENT HOURS**  
For Surveyors & Engineers
- ORC 3781.261 EXCAVATOR TRAINING**

**Schedule:**

8:30 AM ..... **Registration**  
 9:00 AM - 12:00 PM ..... **Seminar** (Lunch served at conclusion of seminar)

**Registration is open for the following locations:**
