

NODPC Meeting

Wednesday, January 8th, 2025

09:30am to 11:00am

6363 Selig Drive, Independence

1. Introductions

- There were approximately forty individuals in attendance.

2.) Meeting Minutes Approved

- The January meeting minutes were approved without any revisions.

3.) Presentation: Planet Underground 2025 Digging Dangers

- The 2025 Planet Underground Digging Dangers video had a strong message of willingness to accept change and not become complacent as well as focused on communication.

4.) OHIO811 Updates

- In January, there were 96,579 notifications made to the center which was down year over year by 1.33%.

- The Spring Excavator seminars will be on March 18th through 21st. They will be in Cincinnati, Xenia, Toledo, and Millersburg.

- The annual Paradigm meeting sign-ups are still available. The closest is Cleveland on February 18th.

- OHIO811 will now have an advisory seat on the UTC.

5.) Marking Standards Review

- Vincent Teuscher, with Enbridge Gas Ohio, and Sam Eckman, with Kokosing, will represent the NODPC.

- Our council proposed to eliminate the symbology associated with facilities over 36 inches in diameter.

5.) NODPC Nominations

- Because there were no new nominations, we will keep the current officers.

6.) Open Discussion

- NODPC damage prevention contact list will be set out at each meeting. If able, please add your companies damage prevention contact information to be shared with the group.

- A motion to refresh DPC e-mail list (based on automated “no” or invalid e-mail responses) was approved.

Next Meeting:

Wednesday, March 5th, 2025 @ City of Independence Recreation Center
